

## Corporate Volunteering

Thank you for seeking advice about volunteering in Northamptonshire. There are many opportunities on offer. We recommend speaking to organisations directly provided on the list below.

Have you thought about coming together and having a day of **fundraising** on behalf of [Voluntary Impact Northamptonshire's](#) two vital projects, which support the vulnerable and elderly in our local communities?

### [Happy at Home | Voluntary Impact Northampton](#)

Befriending service for some of Northampton's most isolated residents, to have a cuppa and a chat.

### [Northampton Door to Door Service | Voluntary Impact Northampton](#)

A life line minibus service for residents of Northampton town to get their food shopping, attend lunch clubs and more.

There are thousands of ways in which you can fundraise (just search A-Z of fundraising ideas on the internet) or think of one of your own!

VIN provides Fundraising Merchandise to brand your event. We can also provide you with all of the necessary paperwork you require (such as Risk Assessments or Fundraising plan templates).

If you want more help in thinking this through, contact [info@voluntaryimpact.org.uk](mailto:info@voluntaryimpact.org.uk) and one of the team will be in touch.

If fundraising is not your thing, here's the list below....
